## LOVE OWL-WAYS CARD KEEPER Page 1

**Step One.** Fold 9 x 12 envelope in half, flap side in.

**Step Two.** Cover front cover with the 6" x 6" and 3" x 6" Designer papers. Be sure to insert brads through the vellum piece and designer paper for the cover before gluing it to the envelope itself. This will hide the brad prongs.

**Step Three.** Stamp Love Owl-ways images onto the 2 ¾" x 4 ¾" Naturals White card stock piece and color with an Aqua painter and the Kiwi Kiss, Baja Breeze, Riding Hood Red and Close to Cocoa stamp pads.

**Step Four.** Glue the Creamy Caramel scrap to make the fence post.

## Tutorial Instructions –

**Step Five.** Adhere the Naturals white card stock to the Old Olive layer.

**Step Six.** Punch one side of the Baja Breeze layer with the Scallop edge punch and then glue the White/Olive stamped layer to it.

**Step Seven.** Wrap Baja Breeze striped ribbon around the card keeper so that ends meet. Glue stamped panel layer onto cover over the ribbon as shown.

**Step Eight.** Print and decorate the card keeper calendar pages.

**Step Nine.** To insert the card keeper calendar portion to the inside, fold the calendar pieces in half making sure they are in the right order. Holding them inside your envelope book, punch two holes on the envelope and calendar center folds about an inch in on the top and bottom. Insert silver cording through the two holds and tie in a knot in the center of the book.
